	Imagine traveling through time and meeting the most important man ever—a man who was not just a man, but also God. One who turned the world upside-down. One who existed outside of time. Students will do just that as we embark on Time Lab. They'll use words beginning with "C" to help them remember that Jesus, our forever faithful, loving, caring, promise-keeping Lord, has been with them always!	Students will experience a camping theme where they hike, canoe, and fish — complete with tents, campfires, and wildlife. Through the lessons, kids will learn about the life of Christ as seen through the eyes of Peter and will discover the lasting forgiveness that only Christ can give.	The lessons are based on stories Jesus told of how God provides every hour of every day so that we might have life and live it to the fullest! Children, youth, and adults will have fun discovering that abundant life is based on a strong faith foundation, sharing in community, seeking justice, persistent prayer, and the forgiveness and love of Jesus Christ.	Get ready for an action-packed VBS journey where kids discover how to Love, Believe, Trust, and Witness as they engage in God's big story of redemption! Each day features lessons that turn storytelling into an unforgettable experience that points to Jesus as Savior.	Take kids on awesome adventures alongside some of their favorite Bible heroes and discover the qualities that make us truly heroic in God.
