

As the concerns over the Coronavirus have been increasing, many churches have decided to move to an online platform.

Many parents and churches have asked about digital content for kids, and because of that, we have created a LifeWay Kids at Home Digital Pass experience.

We have instructions available for The Gospel Project for Kids users, and for all others who do not use TGP. Below is information on what LifeWay Kids at Home is and how parents can get access to it. Please direct them with the 5 steps below if they would like to sign up.

For Everyone

This Digital Pass is a temporary resource to supplement Sunday School from home. There will be a video session with a downloadable *Activity Page* and *One Conversation Sheet* available weekly. To get the Digital Pass and access LifeWay Kids at Home, please have each of your families follow the steps below.

Step 1: Go to my.lifeway.com/redeem

Step 2: Register if you are a new user or Login if you already have an account

Step 3: Enter this redemption code: **VZMD4SSQ38**

Step 4: Click "Access" (if prompted to sign in again, sign in) and then click "My Dashboard," and go to LifeWay Kids at Home

Step 5: Download your *Activity Page* and *One Conversation Sheet* to use as you watch the video session

For The Gospel Project for Kids Users

Print and digital purchasers of The Gospel Project for Kids have two options:

Option 1) Permission is granted to post non-music videos and *Activity Pages* for their church's use only on a secure and/or closed site. We do ask that churches limit posting each session's content to one week and remove the content prior to posting the next week's content. This permission is granted beginning March 12, 2020, and expires May 31, 2020, unless specified otherwise.

Option 2) If you are unable to handle the posting of these files in a safe and secure manner, we have also created a LifeWay Kids at Home Digital Pass experience. This Digital Pass experience is a temporary resource to supplement Sunday School from home. There will be a video session with a downloadable *Activity Page* and *One Conversation Sheet* available weekly. To get the Digital Pass and access LifeWay Kids at Home, please have each of your families follow steps 1-5 in the "For Everyone" section above.
